# FARMASI SAM HUNTER

Thankyou for having a read through this info, I'd love to introduce myself and let you know a bit more about me!

I'm Sam, wife to Liam and mam to two boys, I started my NWM journey in 2019 and stayed with that same company up until 2025 seeing huge success! At the time I left I had a team of over 12 thousand people and a very comfortable monthly wage.

Farmasi caught my eye for a long while before I finally decided to just GO FOR IT! No risk no reward and nothing good comes from staying in you comfort zone ... I have HUGE goals here and would love to help you reach some of your own and work together.
