

WORDBANK

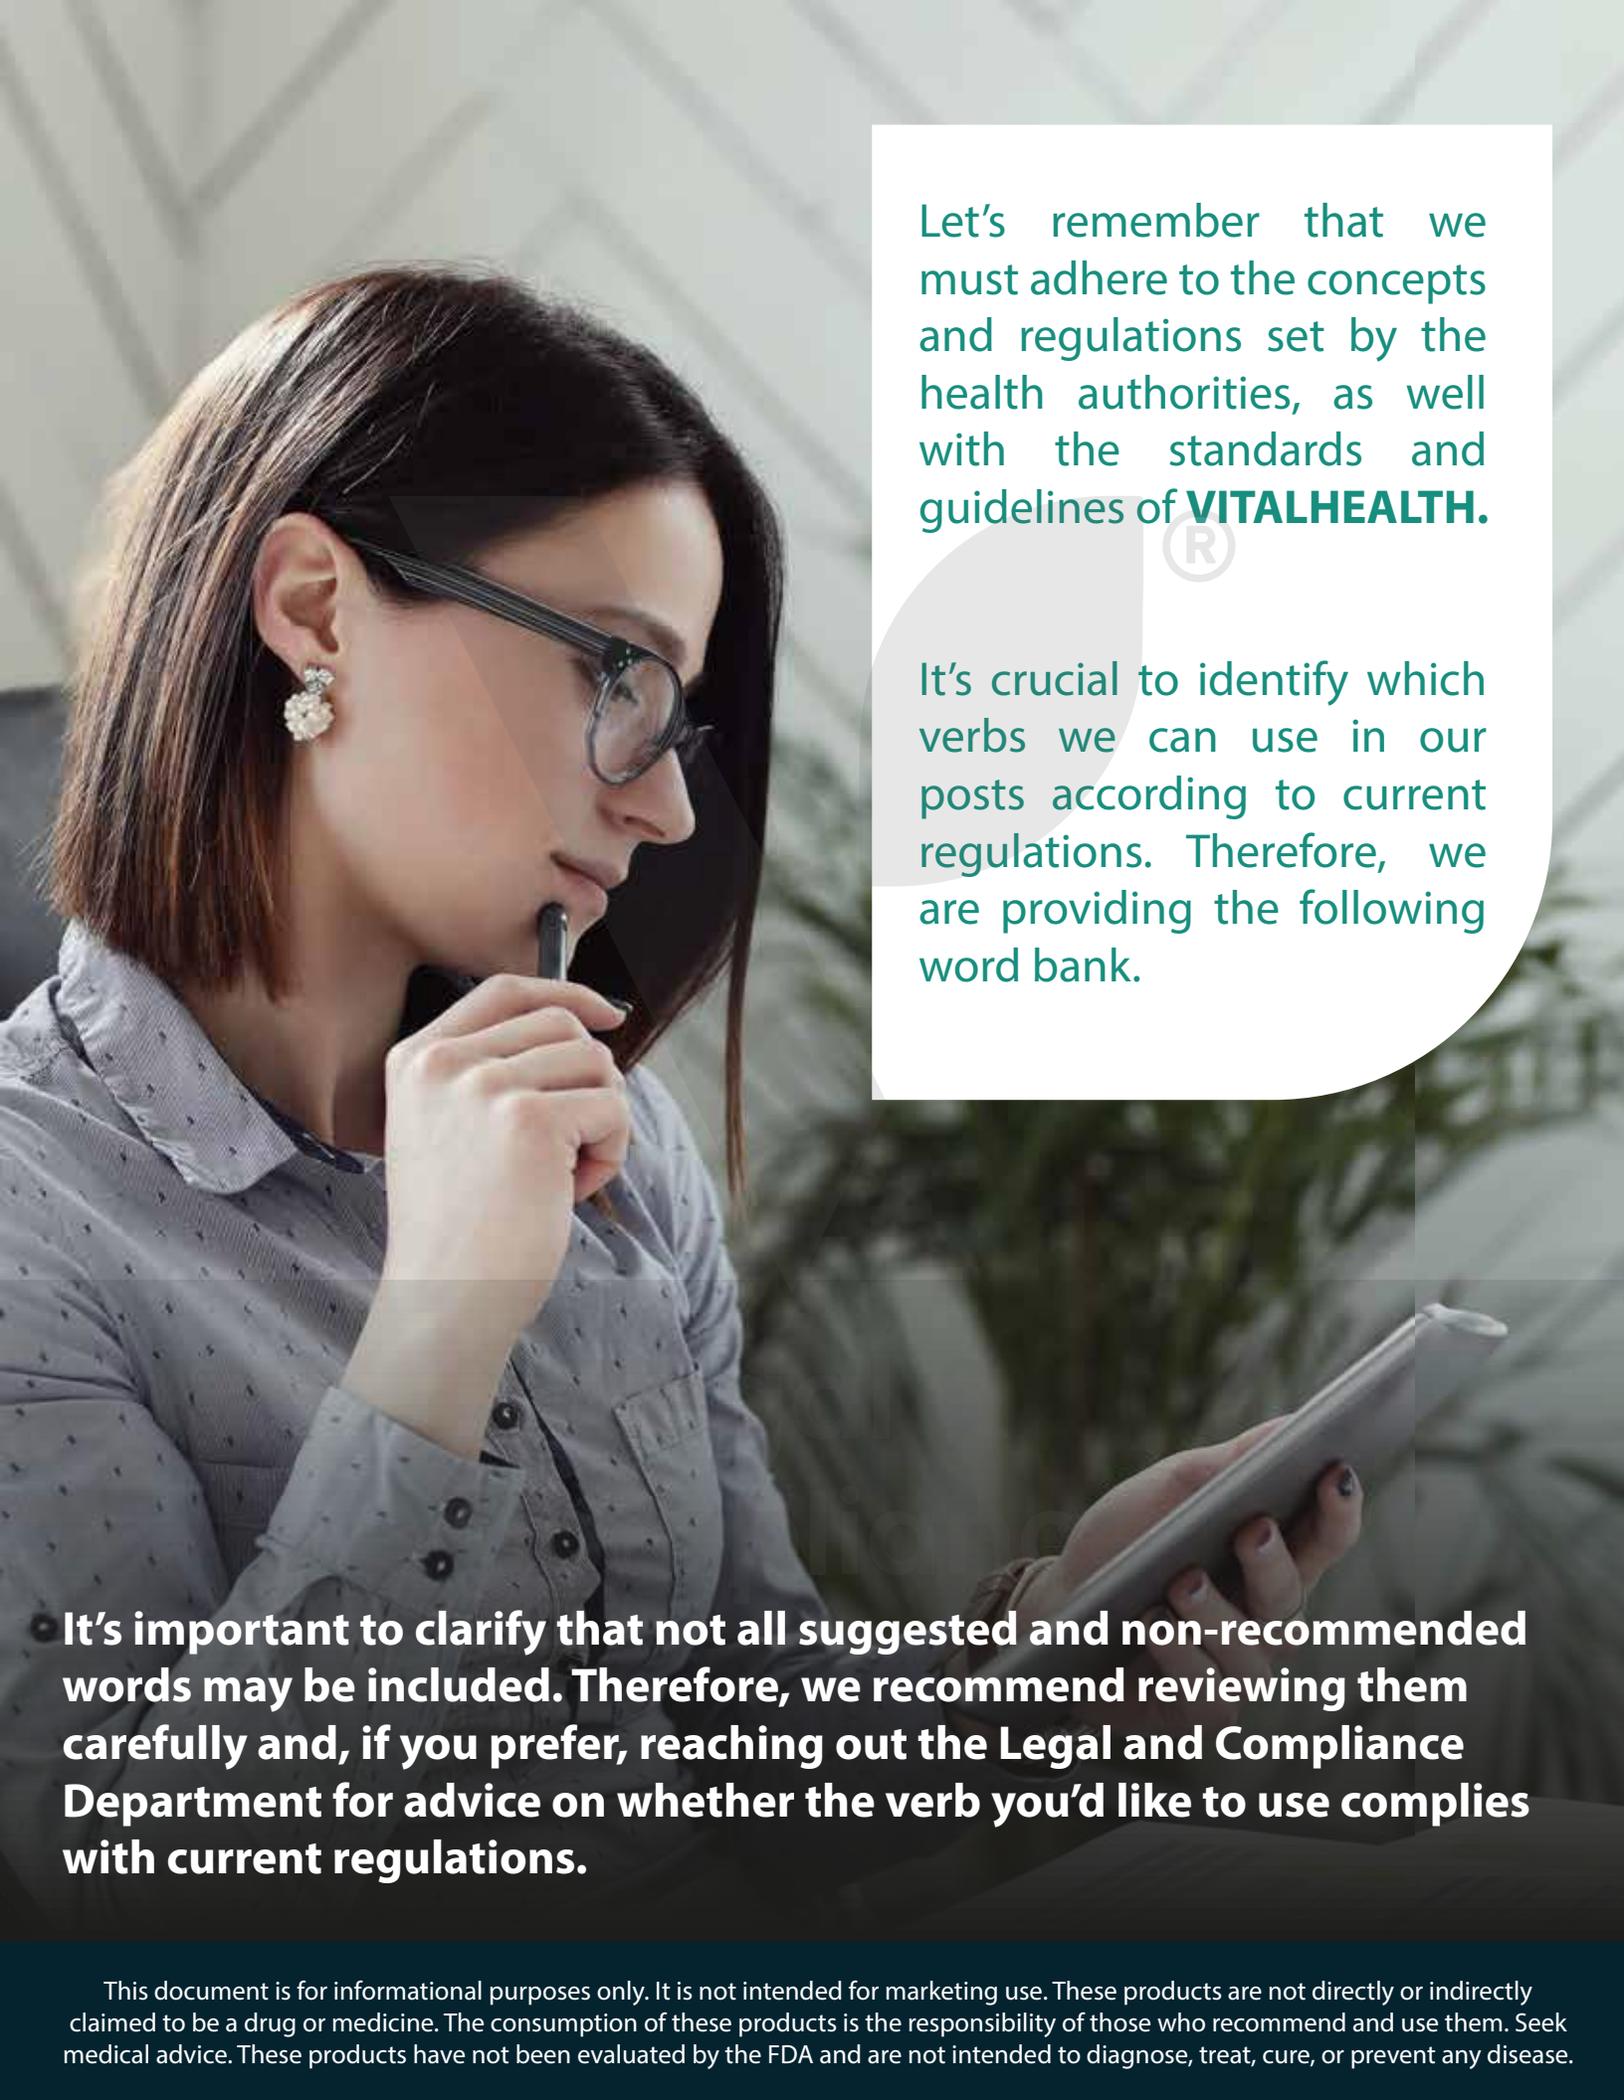

AND SUGGESTED SENTENCES FOR THE CREATION
OF MULTIMEDIA CONTENT.

In VITALHEALTH it is very important to continue instructing your path so you are able to accomplish all your goals as an independent affiliate.

As part of our teamwork, we want to make sure that none of us or our members face issues that could violate the company's guidelines or external regulations. To help with this, we're providing a tool to assist you in creating your posts.

Let's remember that we must adhere to the concepts and regulations set by the health authorities, as well with the standards and guidelines of **VITALHEALTH.**

It's crucial to identify which verbs we can use in our posts according to current regulations. Therefore, we are providing the following word bank.

It's important to clarify that not all suggested and non-recommended words may be included. Therefore, we recommend reviewing them carefully and, if you prefer, reaching out the Legal and Compliance Department for advice on whether the verb you'd like to use complies with current regulations.
