

SIMON OURIAN MD

PERSONALISED SKINCARE & NUTRACEUTICALS
FOR YOUR UNIQUE CONCERNS AND GOALS

SIMON OURIAN MD

Our Co Founder is the worldwide renowned cosmetic dermatologist, Dr. Simon Ourian. His impressive experience spans over 25 years, an exclusive Beverly Hills clinic and a confidential clientele that includes many A-List celebrities.

Dr. Ourian's personalised skincare aims to deliver the same level of care he provides to his high-profile clients. Through an AI-powered virtual consultation, you'll receive individualised recommendations for a tailored skincare regimen. No more guesswork and just results- oriented skincare that's clean, efficient and world-class.

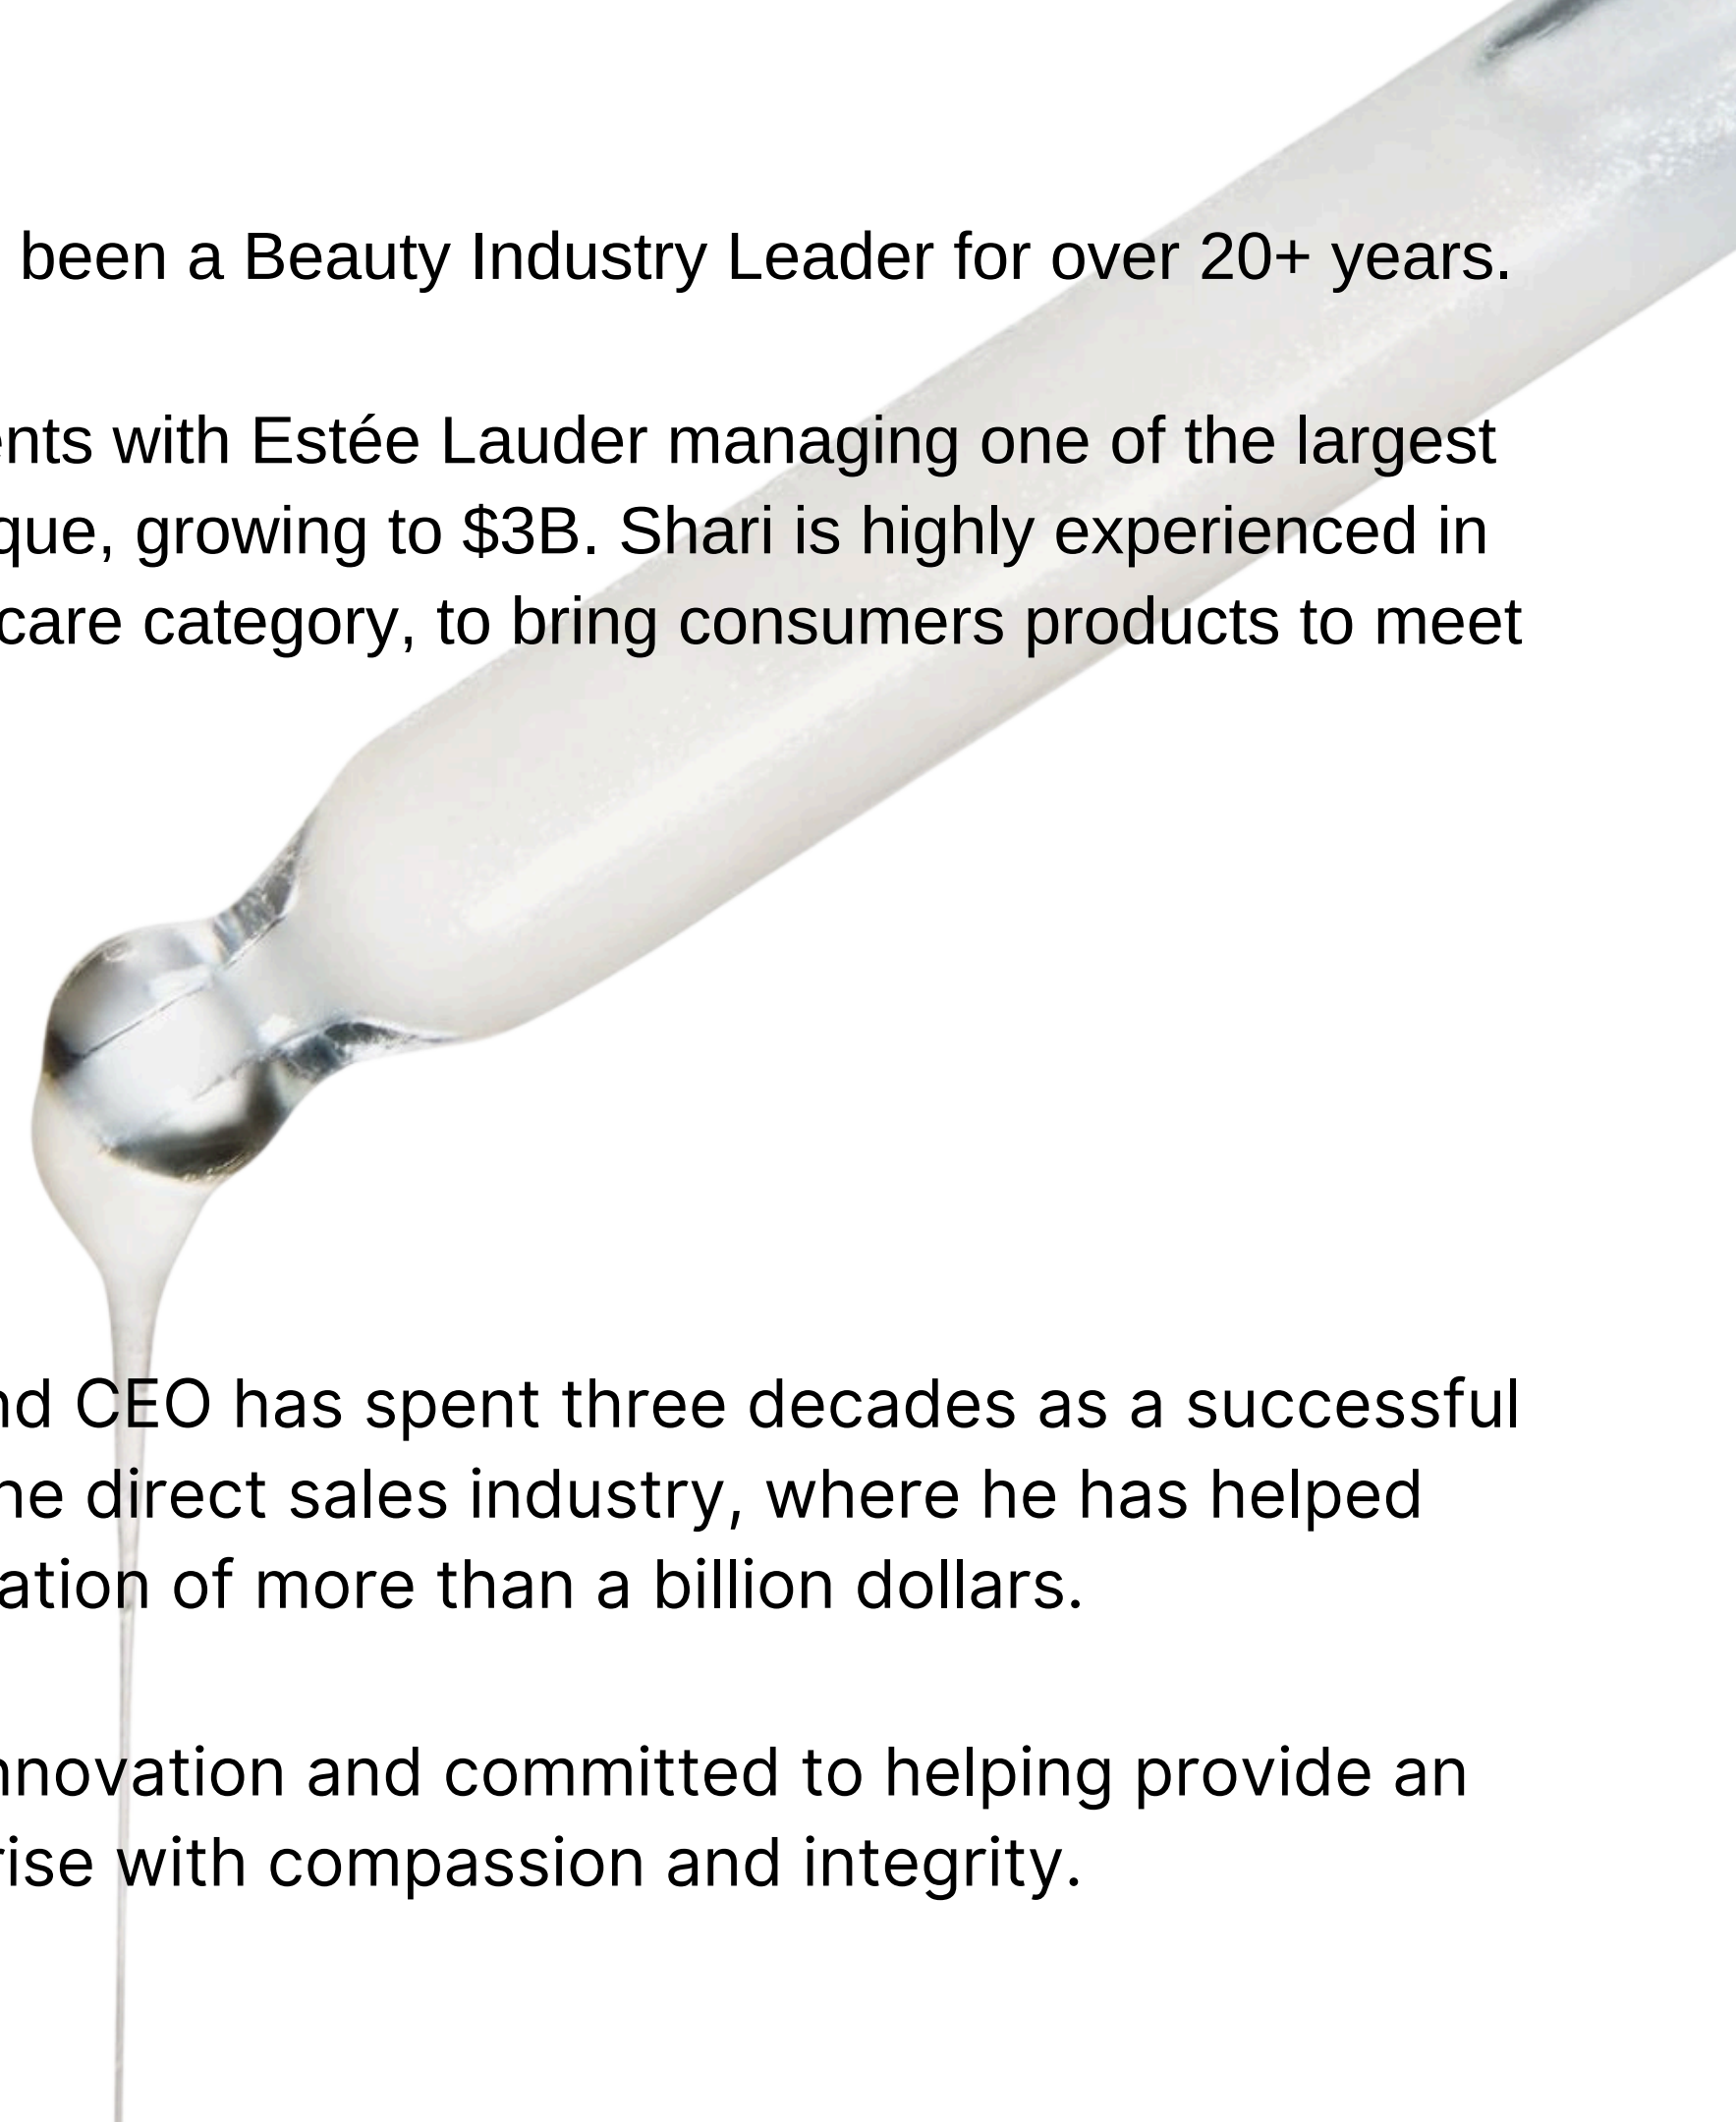

Co Founder Shari Jafari has been a Beauty Industry Leader for over 20+ years.

She has worked in 4 continents with Estée Lauder managing one of the largest Global Beauty Brands- Clinique, growing to \$3B. Shari is highly experienced in the development of the Skincare category, to bring consumers products to meet their skin concerns.

Our President, Founder and CEO has spent three decades as a successful entrepreneur focused in the direct sales industry, where he has helped grow a company to a valuation of more than a billion dollars.

Dan is passionate about innovation and committed to helping provide an opportunity for others to rise with compassion and integrity.

MY PERSONAL RECOMMENDATION

TRY THE PRODUCTS YOURSELF

The most authentic way to incorporate a brand to your business is to trail it yourself first.

By doing this you will:

- Experience the brand as a customer first.
- You will be able to show your clients your own skin transformation and give a genuine opinion on the brand and how it's worked for you.
- Gain confidence in the products that you are offering through your business.
