Getting Started

InteleTravel Overview

Years ago, you couldn't get involved in the travel industry unless you started your own agency, or worked for one as a traditional, full-time employee. There wasn't any type of part-time, home-based business opportunity available to the public. However, plenty of people were passionate about travel and the lifestyle, as well as earning additional income. This is why InteleTravel, the original at-home travel and host agency, was established in 1991. 30 years after its founding, InteleTravel is the oldest and largest host agency in the world and one of the most respected leaders in the travel industry, winning awards and accolades year over year.

What does that actually mean?

Compensation Plan:

Multiple Stream of Income – all SEVEN of them!

1. Earn Commission by booking travel.
2. Direct Introduction to the programme
3. 50% check match
4. Team Bonus
5. 10% override on ITA & ITA/Rep Travel Commission
6. Matrix / Residual Income
7. Director Bonus

Let's find out a bit more about each of these....

Direct Introduction and a 50% Check Match

For every new Independent Travel Agent (ITA) you help get started - our Marketing company will reward you with a referral payment of £35.

For every ITA they introduce, they get £35 referral fee, and you get 50% - £17.

Example:
So, Introduce 10 ITA's (10 x £35) and they all introduce 10 ITA's (100 x £17)....you will receive £2,050 - and these payments are one-off payments per introduction and are unlimited!

Team Bonus and 10% Overrides

Once you have introduced 9 Agents
the fun really begins!!

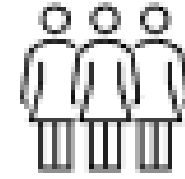

Earn £7 bonuses (this is on top of the
introduction fee on previous slide)

Earn 10% travel commission overrides
(on all ITA's you have introduced)

Earn 10% overrides on Rep's residual
income monthly (on all ITA/Rep's you
have introduced)

This does not take anything
away from your ITA's!

Matrix Pay

Including residual income!

Doing the work once and getting paid for it forever.

For every ITA that you have in your organisation (direct & indirect), PlanNet Marketing will pay you £3 per person EVERY SINGLE MONTH.

Let's put that into perspective. You introduce 10 ITA's, they all introduce 10 ITA's and then they all introduce 10 ITA's. You now have 1,100 people in your organisation. £3,300 every single month. Your 'matrix' will keep growing and growing.

We have Reps that have 12,000 - 16,000 ITA's in their organisation - we'll leave you to do the maths!

What is a residual income?

Residual income is passive income that comes in every month whether you show up or not!

It's when you no longer get paid on your personal efforts alone.

It's one of the keys to financial and time freedom!

Some examples:

Mariah Carey (All I want for Christmas), released once - still being paid.

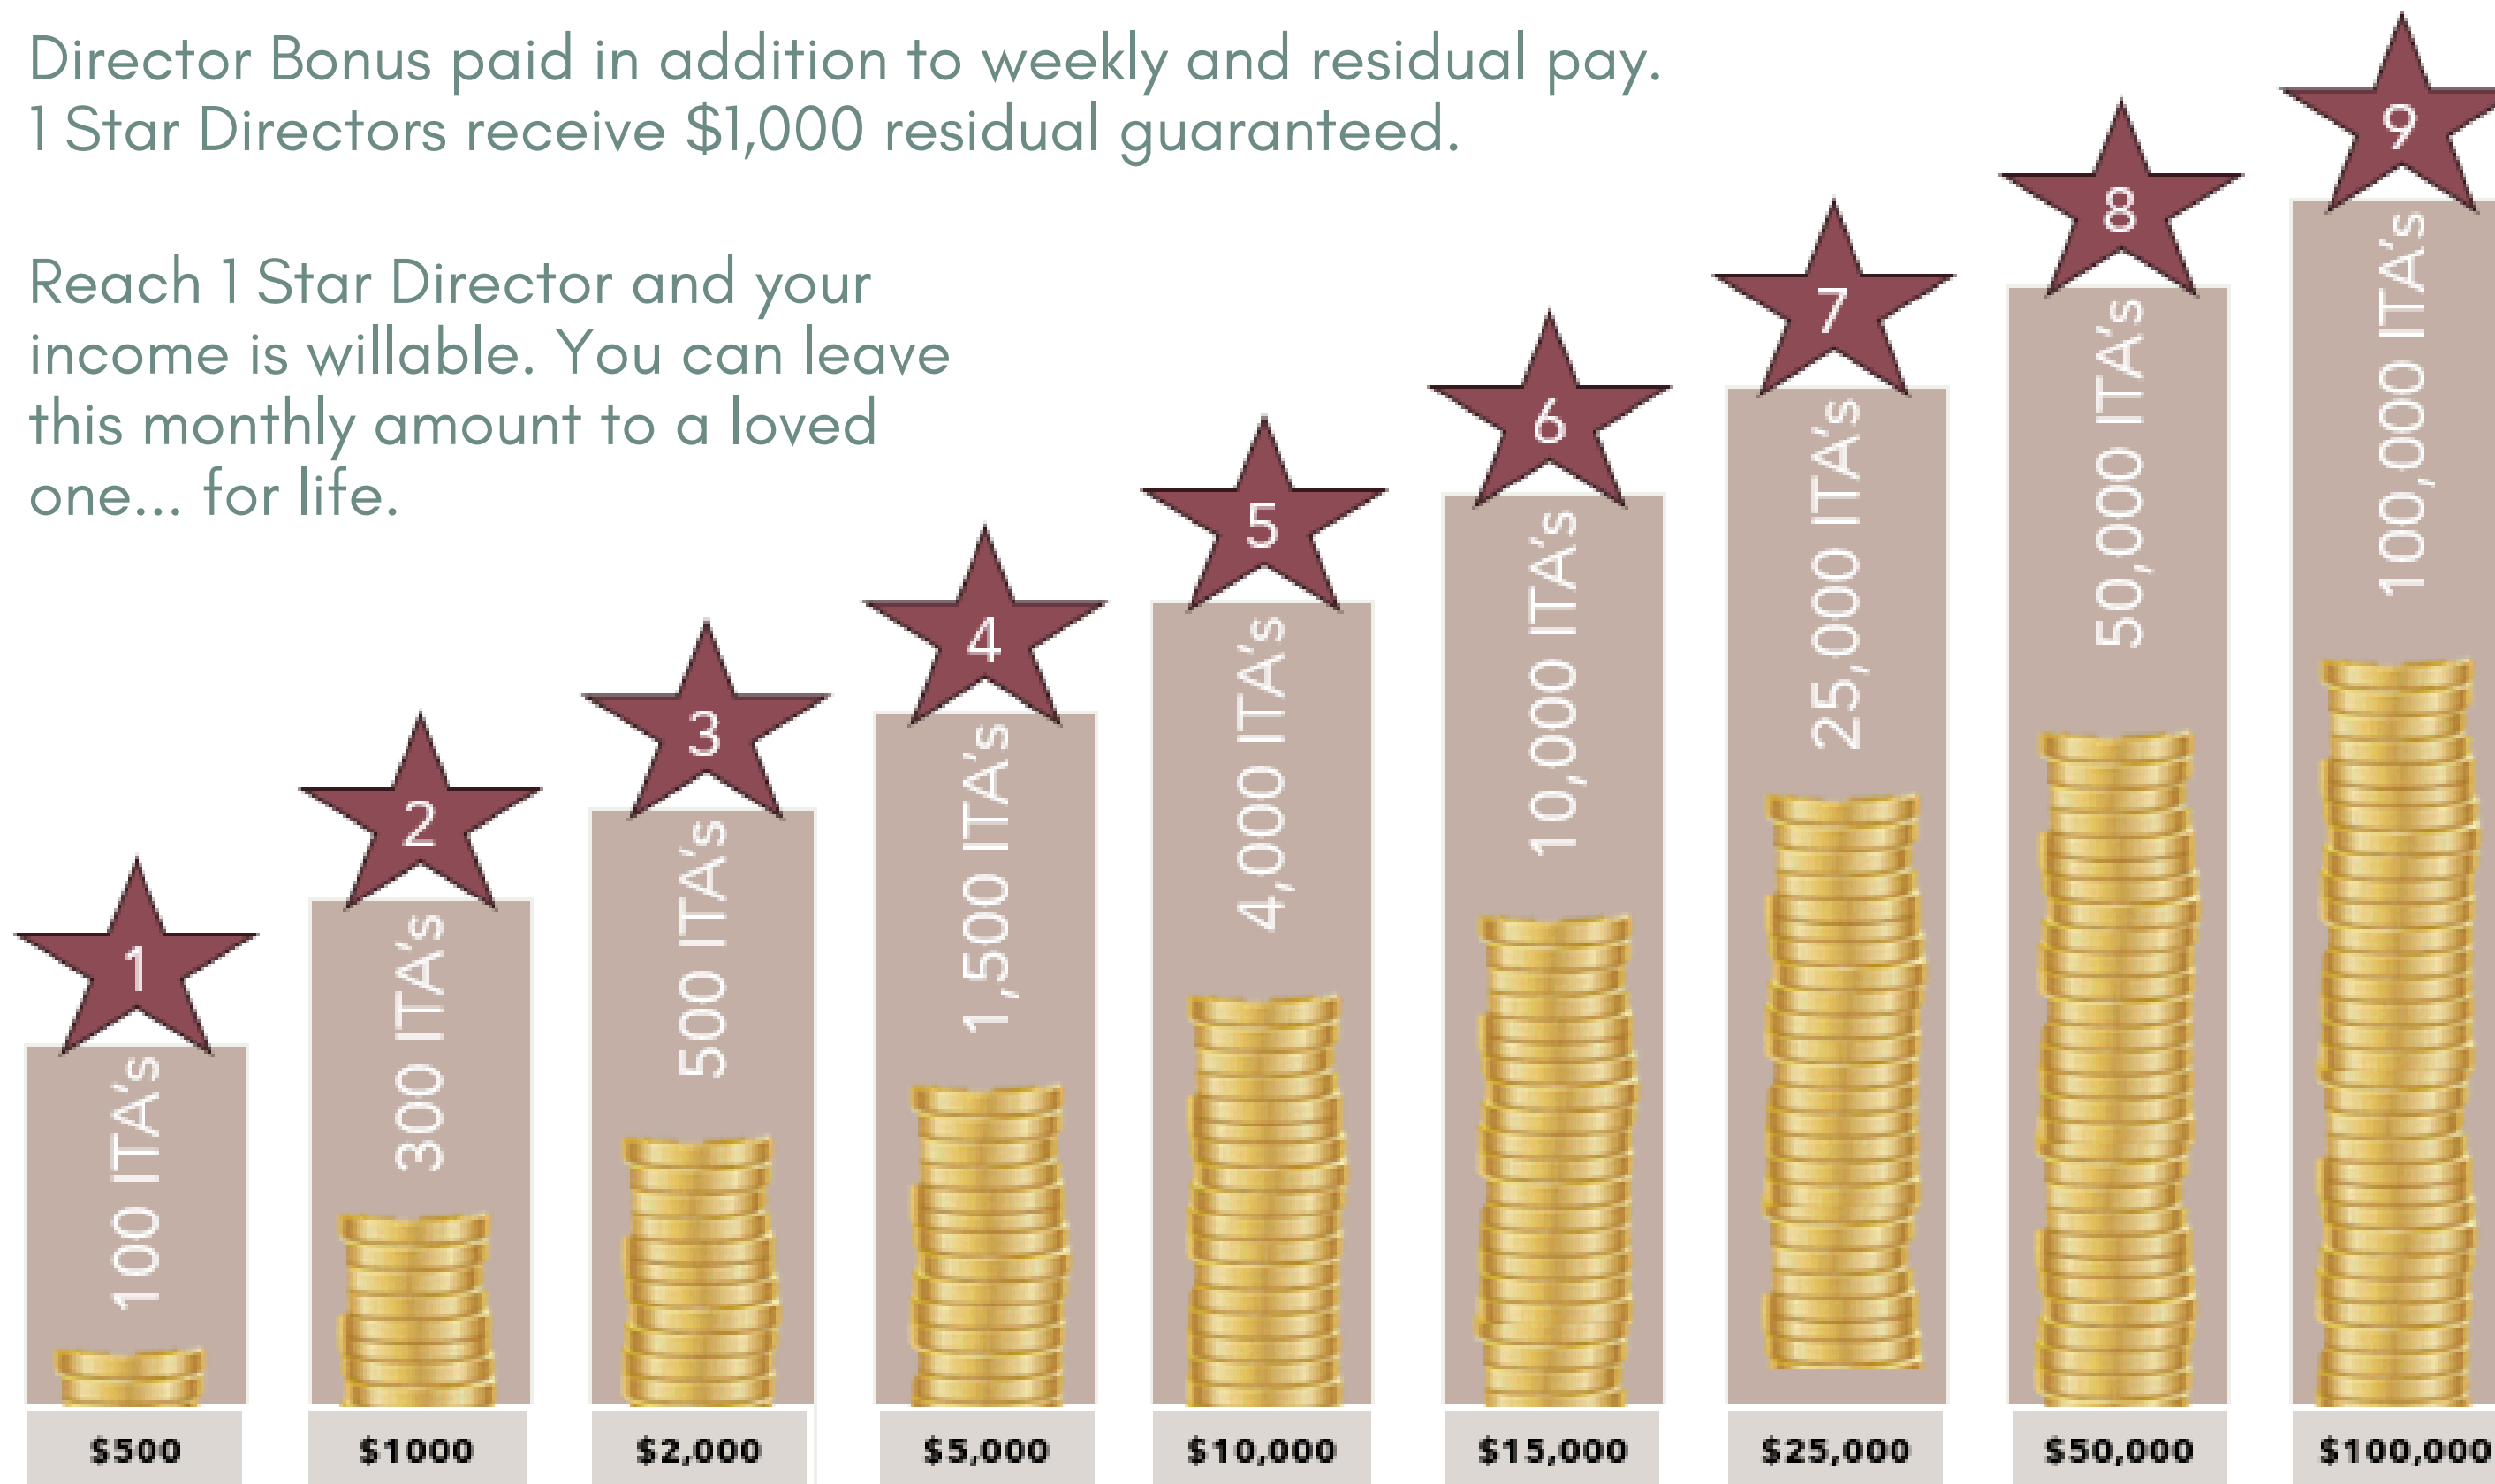

Slade (Merry Christmas) - written once, released 1973 - still being paid.

Director Bonus

Director Bonus paid in addition to weekly and residual pay. 1 Star Directors receive \$1,000 residual guaranteed.

Reach 1 Star Director and your income is willable. You can leave this monthly amount to a loved one... for life.
