THE OPPORTUNITY YOUR ONLINE TRAVEL BUSINESS, EXPLAINED.

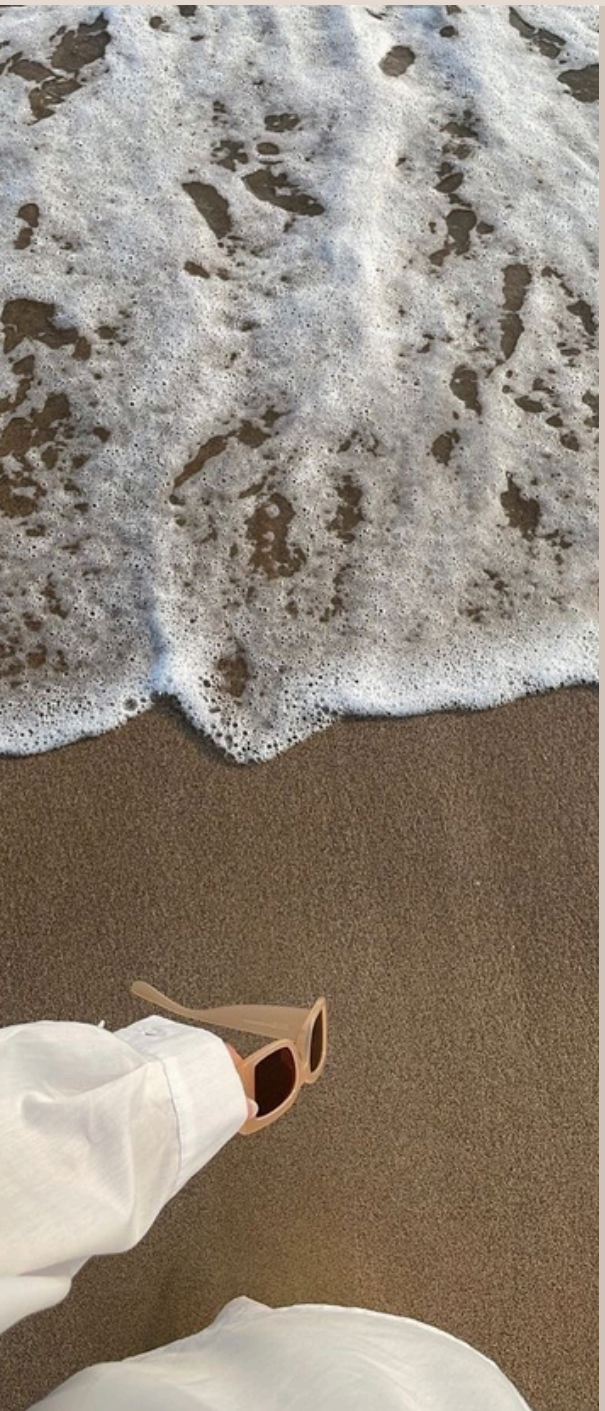

01. BOOK TRAVEL EARN COMMISSION

As a registered travel agent with our travel host agency (Inteletravel), you have access to earn uncapped commissions by booking global trips including package holidays, hotels, cruises, staycations, day trips, concerts and more!
We work with worldwide brands like Disney, Melia, Hilton, Iberostar - really there isn't much we can't access. See a snippet of our suppliers below.

EARNING POTENTIAL MADE CLEAR

Every time you book, you earn commission, paid directly to you instead of big online search engines. No shop, no stock, just your phone and laptop.

The commission is already built into the public price, this way it simply just comes to you. Typically, commissions from suppliers range from 10% to 28% of the travel purchase. Once you become an agent, you receive 70% to 80% of those commissions.

INTELETRAVEL STATS

01 FULLY ACCREDITED — PROTECTION THAT MATTERS

ABTA member, ATOL licensed, IATA accredited and TOPPS registered. InteleTravel went through a rigorous two-year ABTA application process, the kind of financial, regulatory and conduct scrutiny most agencies never face. Your bookings are protected at every level.

02 RANKED ON THE TRAVEL WEEKLY POWER LIST

InteleTravel is ranked #22. InteleTravel ranked among the top travel agencies on the planet. Click here to view the publication.

03 BILLION $ AGENCY

Two consecutive years of $1 billion+ in sales. Record growth. Global reach. The numbers speak for themselves.

04 35+ YEARS OF INDUSTRY LEADERSHIP

35+ years of supplier trust, regulatory relationships, and institutional credibility that cannot be faked or fast-tracked. This isn't a start-up, it's a proven, established business model.

05 FASTEST-GROWING AGENCY

We're not stagnant. 40%+ growth year on year, an ever-growing supplier list and partnerships with some of the biggest names in travel.

02. HELP OTHERS TO EARN

InteleTravel operates exclusively through PlanNet Marketing, meaning the only way to access the system to earn travel commissions and benefits is through a Marketing Representative. Someone who is already an active travel agent themselves. You're joining with a real person who uses the product, travels with it and earns from it. Think of it like an Amex referral link, the modern world runs on real people sharing what they love and getting rewarded for it.

What makes our community exceptional is that some of InteleTravel's highest earning agents sit right within it, accessible to you and genuinely there to help you succeed.

EARNING POTENTIAL MADE CLEAR

Becoming a Marketing Representative unlocks a compensation plan unlike anything most people have ever seen. Multiple income streams running simultaneously, weekly commissions, bonuses and monthly residual income that arrives whether you're working or not. Director bonuses start at **£350** per month and scale all the way to **£193,000** and every penny is willable, meaning the business you build can be passed on to your family long after you've built it.

This is freedom income. Income that isn't tied to your hours, that builds quietly in the background while you live your life. For those who choose to go all in, it's a vehicle for genuine financial freedom and generational wealth.
